DEFINITIONS OF CLASSES

(the word "dog" includes both sexes)

In the following Definitions, a Challenge Certificate includes any Show award that counts towards the title Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship shows in Breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Member's classes or competing for Member's Specials, each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class, i.e. **Monday July 2nd 2018**. Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

- (1) **WITHDRAWAL** The dog may be withdrawn from competition subject to the conditions of Regulations 20.
- (2) **TRANSFER**
 - a) If the dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open Class for the correct breed, colour, sex, weight or height.
 - b) For an exhibit entered incorrectly in a Minor Puppy class or Puppy class, which is over age but under twelve calendar months of age or eighteen calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class or the Junior class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy class or Junior class to the Open class for the correct breed, colour, sex, weight or height.
 - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight or height.
 - d) If an exhibitor arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

With these provisos the following are The Definitions of certain classes:-

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (ANNEX B)

- 1 These Regulations must be observed when a dog is prepared for exhibition at a Show. When a dog is found to have been prepared for exhibition at a show in contravention of these Regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule A.42 had been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be

imposed at the discretion of the General Committee under Rule 42. The dog will be automatically disqualified from exhibition at the show and from any award gained thereat .

- 2 No substance which alters the natural colour, texture or body of the coat may be used in the preparation of a dog for exhibition either before or at the Show. Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat of a dog at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing may be done, calculated in the opinion of the General Committee to deceive except:
 - Operations certified to the satisfaction of the General Committee
 - The removal of dewclaws of any breed
 - The shortening of tails of customarily docked breeds
 - Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.
- 4 The General Committee without previous notice may order an examination of any dog at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

TRADE STANDS

The committee can accept no responsibility for products advertised or sold by stand holders at the show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

Meet the judges:

Madame Marie Françoise BERTON SARLAT

Owner of the 'La Mas de la Galandie' affix, most noted for Malinois and Groenendael. Also a previous President of the CFCBB. She last judged in the UK when she judged Groenendael at Crufts in 2013 but has judged several times in the past (over 10 years ago).

Bente HARLEM

Bente Harlem is of the famous Fakaiser affix and since 1992 has owned and bred many Champion Tervueren and Groenendael. She has judged for many years all over the world, including Scandinavia, Europe and Australia. She last judged in the UK in 2008.

Pete CUMBERLAND

Has owned several Tervueren over the past 25 years, which have been successful in the show and working arenas. Past Chairman, Breed Stall Holder and Newsletter Editor for the BSDA of GB and currently Membership Secretary. Has been judging at CC level since 2011.

Because of the falling entries for the Members' Limited Obedience we have decided not to hold this in conjunction with this show.

Instead we will hold a

'Have a Go' Rally Obedience event.

Entries will be taken on the day and will cost £2

This will commence at 11am and will be on a first come first served basis, so come and sign up and have some fun with your dog. You can have more than one round if time permits.

Card with score for each entrant and rosette for scores above 170/200

'Rally' involves you and your dog working as a team to navigate a course with numbered signs indicating different exercises to perform; think of it as a sort of 'obedience exercise obstacle course' including simple exercises such as stopping at the sit, stand or down, turning in various directions etc. There are several levels, at the lowest the dog works on the lead, and at a more advanced level off the lead.

The course is set by the judge. It is possible to walk the course. There is no pause between exercises - you and your dog work briskly through the course without direction from the judge. You are encouraged to talk to and praise your dog during the performance.

If you'd like to know more about Rally you can find lots of information about getting started and the exercises on the Kennel Club website.

Dogs in Vehicles on Hot Days

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
